## Classic Games in a Natural Style

Timeless games, loved around the world, reimagined in a modern wooden edition. Crafted from natural wood and packaged in eco-friendly boxes that reduce paper use by up to 40%, they combine exceptional quality, durability, and an environmentally conscious design.

Perfect as a gift, for family gatherings, or as an enriching addition to school and educational activities. Proudly made in Poland by a company with over 50 years of tradition. Manufactured in Poland by a company with 50 years of experience.

**WOODuPLAY – Tradition, beautifully renewed.**

Prod. No. 5101

## WOODuPLAY – Ludo

A timeless family classic enjoyed by generations around the world. Ludo combines simple rules with exciting competition, where both luck and a touch of strategy decide the outcome.

Crafted from natural wood, it offers durability, eco-friendly character, and a nostalgic charm that makes every game special. An ideal choice for sharing laughter, excitement, and meaningful moments with family and friends.

Prod. No. 5102

## WOODuPLAY – Mill – Nine Men's Morris

A timeless strategy game that has fascinated players for centuries. In Mill, two opponents compete to align their pieces in a row, forming the winning "mill."

The game calls for focus, planning, and anticipation of the opponent's moves – an excellent exercise in logical thinking and strategic skills.

Crafted entirely from natural wood, it combines durability, eco-friendly character, and classic charm. A perfect choice for fans of strategic play and meaningful family entertainment.

Prod. No. 5103

## WOODuPLAY – Solitaire

A classic puzzle dating back to the court of Louis XIV. In Solitaire, the goal is to leave only one piece on the board – a challenge that demands focus, logic, and keen observation.

Crafted from natural wood, it combines durability, eco-friendly design, and timeless charm. An ideal choice for lovers of elegant mind games.

## WOODuPLAY – Chinese Checkers

A timeless strategy game in an elegant wooden edition. Chinese Checkers stimulates logical thinking, sharpens focus, and sparks imagination, offering enjoyable play across generations.

Crafted from natural wood, with solid quality and eco-friendly design, it is a durable and stylish classic. Perfect for spending meaningful time together while keeping the mind active in a playful way.

Prod. No. 5104

Prod. No. 5105

## WOODuPLAY – Memory – Memoria

A game that brings generations together. For children, it is a delightful exercise in focus and observation. For seniors, a gentle way to train memory and support everyday mental activity.

Simple rules, six interchangeable picture boards, and solid, natural craftsmanship. Elegant, eco-friendly, timeless. Perfect for sharing meaningful moments together.

## ECO BLOX

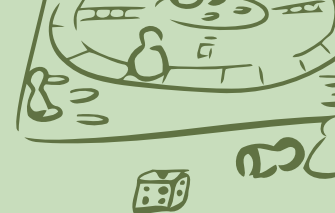

Simple in form, yet endlessly inspiring. ECO BLOX wooden planks open up unlimited possibilities for children to create and explore. They nurture imagination, teach patience and focus, and deliver the joy of building original constructions.

Made from high-quality natural wood, the blocks are durable, safe, and environmentally friendly. ECO BLOX is not only hours of engaging play but also a valuable tool supporting a child's development. A timeless toy that never loses its appeal and always inspires creativity.

Dimensions of a single plank: 100 × 19 × 6 mm.
